## **NOTICES DISCLOSED BY THE COMPANY**

Regarding the relevant information published in November 3, 2020, Almacenes Éxito S.A. (the “Company”), informs its shareholders and the market in general that:

1. On November 6, 2020, the Company was notified about the Resolution No. 68369 of October 28, 2020 by the Superintendency of Industry and Commerce (the “Resolution”).
2. The Resolution was issued within an administrative process related to compliance with the personal data protection regime, initiated on March 28, 2017, establishing a penalty in the first instance for the amount of one hundred forty-five million eight hundred forty-six thousand two hundred seventy-two pesos (\$145,846,272), duly provisioned, and imposes an administrative order conducive to the implementation of improvements in some specific aspects associated with the personal data protection program.
3. Regarding the Resolution, the Company presented the applicable legal resources. Once they are resolved, the legal, economic and financial effects would be determined.
4. The Company has a strong personal data protection program, monitored and supervised by senior management. The program is in continuous improvement.
