**Important Notice Regarding Forward-Looking Statements**

This release contains forward-looking statements. These statements are not historical facts and are based on management's current view and estimates regarding future economic conditions, industry developments, the Company's performance, and financial results. The words "anticipates," "believes," "estimates," "expects," "plans," and similar expressions, when referring to the Company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of key operational and financial strategies, capital expenditure plans, the direction of future operations, and factors or trends affecting financial condition, liquidity, or operating results are examples of forward-looking statements. Such statements reflect management's current views and are subject to a number of risks and uncertainties. There can be no assurance that the expected events, trends, or results will actually occur. The statements are based on numerous assumptions and factors, including general economic and market conditions, industry conditions, and operational factors. Any changes to these assumptions or factors could cause actual results to differ materially from current expectations.
